Breakfast Club

Breakfast club - open to Burnsall children from 8 am until the start of the school day. Please contact school if interested. Please don't forget to send your money to pay for Breakfast club. This can be done weekly or half termly. As from September 2017 the cost for each session will be £3.50 to cover costs. Please can you let me know if your child/ren will be attending. Thank you .

News From Class 2

After the excitement of celebrities in Burnsall on Monday, the children have settled back down to work and have produced some great pieces of work this week. In maths, the children have been looking at 3 d shapes and their nets. They have been investigating how to make different nets for different 3D shapes. As part of their DT topic, they have then used this knowledge to help them build a ancient Greek temple - which look fantastic! In English, the children have been turning the Greek myth that we have been reading into a play script. They have thought really carefully about stage directions that the actors would need and how to tell the story through speech. When they have finished, the children will act out their plays. Next week the children have lots going on with cricket on Tuesday, an author visit on Thursday and Nell Bank for the Year 4's on Friday—please ensure that the children return their permission slips. Hope you all have an enjoyable bank holiday weekend.

News From Class 1

Well who would have thought that Burnsall would be the place to bump into celebrities? The children patiently waited for the opportunity to meet Gary Barlow on Monday and there was much excitement when they realised that they knew some of the songs he does. Mrs Sandoe has been very busy doing lots of split diagraph work with the children in phonics and we have also written our own version of Handa's Surprise . In maths Year 1 have looked at number bonds to 10 and 20 whilst Year 2 have focussed on dividing by 2. we are thinking about what makes us proud in RE.

It was lovely to welcome our new starters into school on Thursday and all of the children worked hard to make them feel welcome!

We have applied for money that would help update and refresh the library. We are hoping to broaden our non fiction titles which support topics covered by the curriculum and will potentially be shared with the federation, Please can you spread the word—Every token helps. Thank you.

Bank Holiday—Monday 7th May

Don't forget Monday is bank holiday, so we will see you all back at school on Tuesday 8th May.

A message from Mrs Boxall and Mr Norris

We would like to thank everyone in each of the school communities for the welcome that has been extended to us this week. It has been a pleasure meeting parents, staff, governors and (of course) children in each of the 4 schools as we begin our time as Interim Executive Co-Head teachers. If, due to work or other commitments, parents and governors have not been able to come into school during the week for one of the "drop in" sessions, we do hope that we will have the opportunity to meet you soon.

We have been very impressed by the work the children are doing and their enthusiasm for learning; by the dedication and professionalism of the staff; and by the amount of time and commitment the governors show for the well-being of each school.

For the remainder of the month, we will share our time between the 4 schools as equally as possible. The calendar below, which has been circulated previously, shows the days we intend being in each school - assuming there are no pressing reasons for us to be elsewhere. We will compile and circulate a similar calendar for June and July just before the half-term holiday.

Week	Mon.	Tues.	Wed.	Thur.	Fri.				
1		May 1 C&R	1 G	2 B	2 K	3 B	3 G	4 K	4 C&R
