## Breakfast Club

---

Breakfast club - open to Burnsall children from 8 am until the start of the school day. Please contact school if interested. Please don't forget to send your money to pay for Breakfast club. This can be done weekly or half termly. As from September 2017 the cost for each session will be £3.50 to cover costs. Please can you let me know if your child/ren will be attending. Thank you .

## News From Class 2

---

After a jam packed short term, the holidays are here again. On Monday this week, the children took part in an art session provided by Grassington Festival. Helen Smith ran a printing session with the children based on sketches they made from the flowers and plants that are growing in our turf. The children looked extremely closely at the different plants and created some fantastic print works, which will be on display at the festival. Whilst our year 6 children have been away having a fantastic time at Scarborough on their residential , I set the Year 5 and 4 children the challenge to create their own theme park. They have been using their advertising skills in English to create an advertisement for their park and in maths they have been busy working away at how much it would cost to set up their park and more importantly how much profit they would make. They had some fantastic ideas and there are definitely some Richard Bransons in the making! I hope you all have a fantastic week off and come back refreshed ready for another exciting term ahead.

## News From Class 1

---

It has been a very busy week in Class one and the children are more than ready for a break! Year two have worked very hard to complete their SATS assessments and all of the children coped really well with the papers given to them. Some of class one got the opportunity to join class two for tag rugby this week and it was lovely to see how well they played as a team alongside children older than them. All of the children had fun working alongside Class two to create funfair activities in our classroom on Wednesday. We have been doing some group work focusing on different areas of maths. All of the children have been working hard in their phonics groups this week re-capping work done over the year and practicing sounds which they have found tricky.

Have a super half term break and we look forward to seeing you all for our final half term.

### Privacy Notice-General Data Protection Regulation(GDPR)

The children have brought home a notice under the new regulations which come into effect from today. Please can you complete and return the slip on the end of the notice when we return to school.

We hope you all have a lovely week off and the weather stays nice for us all.

## A Note from Mr Norris & Mrs Boxall

Welcome back to the Year 6 children, who return from their residential week at Cober Hill (near Scarborough) today. We are sure that they will have lots to tell you, so do ask them about their adventures while they have been there.

Burnsall school's Ofsted report (following the school's inspection on 9<sup>th</sup> May) has been sent to Burnsall parents today. We are delighted to be able to let you know that the inspector, Mr. Richard Knowles, judged that the school continued to be good. The report will be published on the school website and the Ofsted website shortly after the half-term holiday.

GDPR - 4 letters we have come to ... love(?). The schools in the federation, supported by the Local Authority, are all working through a plan which ensures that we meet the General Data Protection Regulations. Further information about this will be available on the federation website after the half-term holiday.

Our proposed rota for the days we are working, and the schools we will be in, during June & July, is in the chart below. As previously, we have shared our time as equally as possible between the 4 schools on the different days in the week. We will aim to be "at the school gate" at the start and end of each day, so do please speak to us then if you need to (or just to say "Hello"). If you need to speak to either of us at other times, we can be contacted by phone.

Mr. Norris = red      Mrs. Boxall = green

Finally ... the 4 weeks we have been working as Interim Co-Head teachers in the federation have flown by, but in that time we have appreciated the children's enthusiasm for learning, and the commitment and hard work shown by the staff, parents and governors. The schools are closed for the half-term next week, but we look forward to seeing everyone again in June. Meanwhile, do enjoy a safe and happy holiday week.
