BURNSALL VA PRIMARY SCHOOL

# Friday News

## A Note from Mrs. Boxall & Mr. Norris

It has been another very exciting week in the Federation schools with lots of events taking place that show the strengths of the Federation, as well as the achievements of the individual schools.

Congratulations to the Year 5 & 6 children from Cracoe who finished as Runners-Up in the Craven Area Cricket Final that was held at Settle Cricket Club yesterday afternoon. Well done to you all - that is a wonderful achievement! Well done also to all the children from all the schools in our Federation who have been taking part in the Tag Rugby tournament at Upper Wharfedale today.

It has been a very active week for outdoor events generally, all the Year 2 children from the 4 schools have been working together today during their Woodland Day at Parceval Hall, while the Year 6 children from Kettlewell and Burnsall have enjoyed a day's mountain-biking at Gisburn Forest.

Perhaps the highlight of the week, and certainly from the perspective of our Federation being showcased nationally, was yesterday when the BBC came to Grassington to film an item about small rural schools for their "Country file" television programme. Again, it gave an opportunity for all the Year 2 children to join together as the BBC filmed them working on a sculpture project for the Grassington Festival. Taking the theme of meadowlands, they worked in small groups to make beautiful giant flowers and colourful creatures from tissue paper and cane. The pictures show the children working together while being filmed, and then happily holding up their finished results. These will be part of the Grassington Festival Parade tomorrow morning, and we expect that the Federation will be broadcast in the Country file programme on Sunday 1<sup>st</sup> July.

The next few weeks will be equally busy with lots of great events taking place in the Federation.

## Breakfast Club

Breakfast club - open to Burnsall children from 8 am until the start of the school day. Please contact school if interested. Please don't forget to send your money to pay for Breakfast club. This can be done weekly or half termly. As from September 2017 the cost for each session will be £3.50 to cover costs. Please can you let me know if your child/ren will be attending. Thank you .

## News From Class 2

On Tuesday, the children had a visit from a Bowling Green Primary School in Halifax. As part of the day, Class 2 took on the role of tour guides and showed the children around our school. On Monday, the children had prepared and researched information about the school and its history that they could say during their tour. Both myself and the staff from Bowling Green, were really impressed with how confidentially the children spoke to the visiting children and with how much pride they showed about their school. From this we are hoping to set a date for our school to visit Bowling Green. In maths this week, the children have been learning about ratios. On Wednesday, they put their knowledge of ratios into practise and made some 'mock-tails' using different ratio amounts. The children then surveyed the school to see which mock-tail were the best.

It was lovely to see so many dads here on Wednesday for our Father's Day Lunch. Thank you to all those who attended.

Mrs Mukherjee from Upper Wharfedale School will be visiting the Year 6 children on Monday, so please can you make sure your child is in school on that day. Thank you

20.07.18—End of Term—Holidays

More details of the above events will be sent home as and when they become nearer.

## News From Class 1

---

Class one have had a very busy week this week. Mrs Sandoe has been continuing with her Mini beast work and the children have been collecting natural materials to build their own mini beast houses. On Wednesday afternoon all of the children came together to create mini beast art outside. In maths the children have focused on fractions of numbers and have been making ladybirds with different fractions on their backs. Year Two have been exceptionally busy this week, on Thursday they went to Grassington to work on some big art for the festival, this was filmed by Country file and will be shown on July 1st! Today all of Year 2 have had a trip to Parceval Hall woods and spent the day doing a range of exciting outdoor activities. Year 1 and Reception have been busy making Jam sandwiches to help with our instruction writing.

Mrs Sandoe and I would like to ask that the children don't bring things in from home other than for show and tell on a Friday- Thank you.
