BURNSALL VA PRIMARY SCHOOL

Friday News

A Note from Mrs. Boxall & Mr. Norris

Children from across the Federation have been extremely busy this week. They have been practising for sports day, end of term concerts and services. Some year groups have participated in a range of Cluster sporting events. Well done Grassington children who won the Tag Rugby tournament last Friday.

During this very hot weather, children have been very sensible about wearing sun hats and caps, drinking plenty of water and applying sun cream if brought into school. Staff have encouraged the children to enjoy the weather, but to seek shade during play and lunch times.

Thank you to all those parents who have returned the Wrap Round Care questionnaire. We will be considering all the responses, deciding on how we can move forward with the provision in a sustainable and viable way.

We only have three weeks of term left, during which time there are numerous activities going on in each of the schools, please refer to the newsletter for specific details.

Breakfast Club

Breakfast club - open to Burnsall children from 8 am until the start of the school day. Please contact school if interested. Please don't forget to send your money to pay for Breakfast club. This can be done weekly or half termly. As from September 2017 the cost for each session will be £3.50 to cover costs. Please can you let me know if your child/ren will be attending. Thank you .

News From Class 2

I really don't know how we managed to get everything in, but the children at Burnsall do seem to be having lots of busy weeks. On Monday, Class 1 invited us to join them for a talk from the 'Bug Lady'. They got to meet lots of creepy crawly creatures and find out a bit more about them. Lots of the children were even brave enough to hold and touch them! On Tuesday, some of our Class 2 children along with some children went to play Tag Rugby at Upper Wharfedale. Despite the heat, the children had a fantastic afternoon and played extremely well together. Yesterday the children had another fantastic treat which was provided by Grassington Festival: the children spent the afternoon creating shadow puppets to tell a story through the Hay Meadow. They all came up with lots of interesting plants and animals that we may find in a meadow then 'Toad' along with the children's help, told a story using their newly created puppets. They all looked amazing! Amongst all of this the children have been busy rehearsing for their upcoming performance of rainforest called The Rainforest. With the warm weather set to continue, please ensure that your child has sun cream and preferable a hat too.

News From Class 1

We have had another very busy week in Class One. This week our new starters have visited us three times and stayed for lunch on Thursday. All of the children are working hard to make the new reception children feel welcome and Mrs Sandoe and I are very proud of the excellent examples they are setting. On Thursday Year 2 had a fantastic morning at Upper Wharfedale seeing how PE is done once they reach Year 3. Monday saw the Bug Lady visit the children and everyone enjoyed meeting enormous stick insects and learning more about huge snails and other insects which she showed us. On Wednesday some of the children got the chance to join Year 3 and 4 at the tag rugby competition. All had an excellent time and came back to school buzzing about the experience. We were very lucky on Thursday to be visited by an artist who showed us how to make a range of shadow puppets and use them to create stories. The children are all working hard to learning their lines and songs for our Summer play- it is starting to look and sound amazing! With this lovely weather set to continue please do send your children with sun cream and a hat.

School Equipment

Recently we have been loosing some of our playtime equipment over the wall into church and also into the road. If you spot any balls and other school equipment on your travels it would be great if you could return them to school- Many Thanks.
